## **Summary of Material Modification**

**To: All Eligible Participants**  
**From: Board of Trustees**  
**RE: Testing for COVID-19 - Coronavirus**  
**Date: March 24, 2020**

### **Important News for Plan Changes Effective Immediately**

The Board of Trustees of the Central Texas Health and Benefit Trust Fund (the “Fund”) is pleased to announce the following benefit enhancement to the Fund effective immediately:

**Diagnostic Testing** for COVID-19 (Coronavirus) that is prescribed by a licensed physician will be covered at 100% by the Fund, without cost sharing and not subject to Fund deductibles, co-payments, or co-insurance.

**Note:** Upon receiving a positive diagnosis, the care and treatment of COVID-19 operates under established Fund benefit levels that will be subject to Fund deductibles, co-payments, co-insurance and out of pocket maximums.

Before taking any tests, pharmaceuticals or treatments in connection with COVID-19 or any other illness, please consult with your professional health care provider about any medication you are currently taking.

NOTE: Receipt of this Notice does not automatically entitle you or your eligible Dependents, if any, to the benefits provided by this Health and Benefit Trust Fund. In order for you or your eligible Dependents, if any, to be eligible for Benefits under this Health and Benefit Trust Fund, you and they must be otherwise eligible for all other benefits provided by the Fund. If you have any questions about these changes or your or your Dependent’s eligibility, please contact the Administrative Manager at (505) 265-8422.
